

Directions to British Columbia Aviation Museum:

Due to the construction of the McTavish Rd & Hwy 17 overpass, access to the Museum has changed. Canora Road will be closed until early in 2011. Until that time, Museum Visitors must use the McTavish Rd/ East Saanich Rd route to get to our location from Hwy 17.

Visitor's coming from Sidney via Beacon Ave. or from the Airport can use the regular access roadways.
