The BC Aviation Museum

Annual Summer BBQ

Saturday, 19 August 2017
5:00 - 9:00 pm

For our Annual Summer BBQ the Museum will supply the burgers. All you have to do is sign up at the front desk during museum hours, bring a dish for sharing, and turn up! This is a chance to meet new people, catch up with old friends, and enjoy the summer weather. You can also check out our new patio and refurbished tables!

This event is open to all museum members. Cocktails are at 5 pm and food will be served at 6 pm. See you there!

Museum Donations

Financial donations are always needed at the museum to allow us to continue our work. As a registered charitable organization we are able to provide tax receipts for monetary donations. Furthermore, the museum is always looking for aviation books and associated materials such as models, gear, badges, insignia, artwork, pamphlets, documentation, etc. Some of the few things we do not take are uniforms and magazines. If you are willing to donate any of the needed items please speak with the Front Desk during museum hours.

Volunteers Needed!

1. Our Gift Shop manager, Virginia Browne, is reluctantly stepping down. The Gift Shop is vital for the museum image and for our financial health. We urgently need someone to take up this task. Much of this work can be done at home on your own time. If you are interested in this position, please call during museum hours and ask to be put in contact with Jan Lewis, our Volunteer Co-ordinator.
2. The Museum E-Bay needs a volunteer shipper with basic computer skills on a part-time or relief basis. This involves wrapping and mailing items sold. E-Bay is a very important source of revenue for the museum. If interested e-mail jeanrollins@bcam.net

New Things

There is usually something new to see at the museum, especially if you haven't been in for a while. For example, there is now a temporary display of aviation ties and accessories. The Hoffar H-1 replica is definitely taking shape! Also, there is currently a rare opportunity to view many of our aircraft *en plein aire!*
