

# Expanded Opening

The British Columbia Aviation Museum will be open to the public on a four-day-a-week basis starting July 16, 2020. The Museum will be open Thursdays through Sundays between the hours of 11:00 am and 3:00 pm.

Due to ongoing Covid-19 concerns a number of exhibits will be unavailable. These closed exhibits include the Vickers Viscount, the Canadair CT-133 Silver Star, and the Children's Play Area.

While you were away our volunteers have made many improvements to the Museum including renovations to the Gift shop and washrooms.

## Welcome Back!
