

Open Hours

The British Columbia Aviation Museum is open to the public on a five-day-a-week effective July 1, 2021 until further notice. The Museum will be open Thursdays through Mondays between the hours of 10:00 am and 3:00 pm.

Due to ongoing Covid-19 concerns a number of exhibits will be unavailable. These closed exhibits include the Canadair CT-133 Silver Star, and the Children's Play Area.

During this period of limited open hours our volunteers continue to make numerous improvements to the Museum. These changes include updating displays, and renovating the Gift Shop and washrooms.

Visit and see what's new!
